-- Spam Mails

The screenshot shows an email client interface. At the top, the subject is "Greetings from Liu,,", followed by a "Spam" label and a close icon. The sender is "Liu Ruchen <clbh19@outlook.com>" and the date is "Thu, May 28, 8:11 AM". A dark grey banner with a warning icon contains the text: "Why is this message in spam? It is similar to messages that were identified as spam in the past." Below this banner is a "Report not spam" button. The email body contains the following text:

Hi,

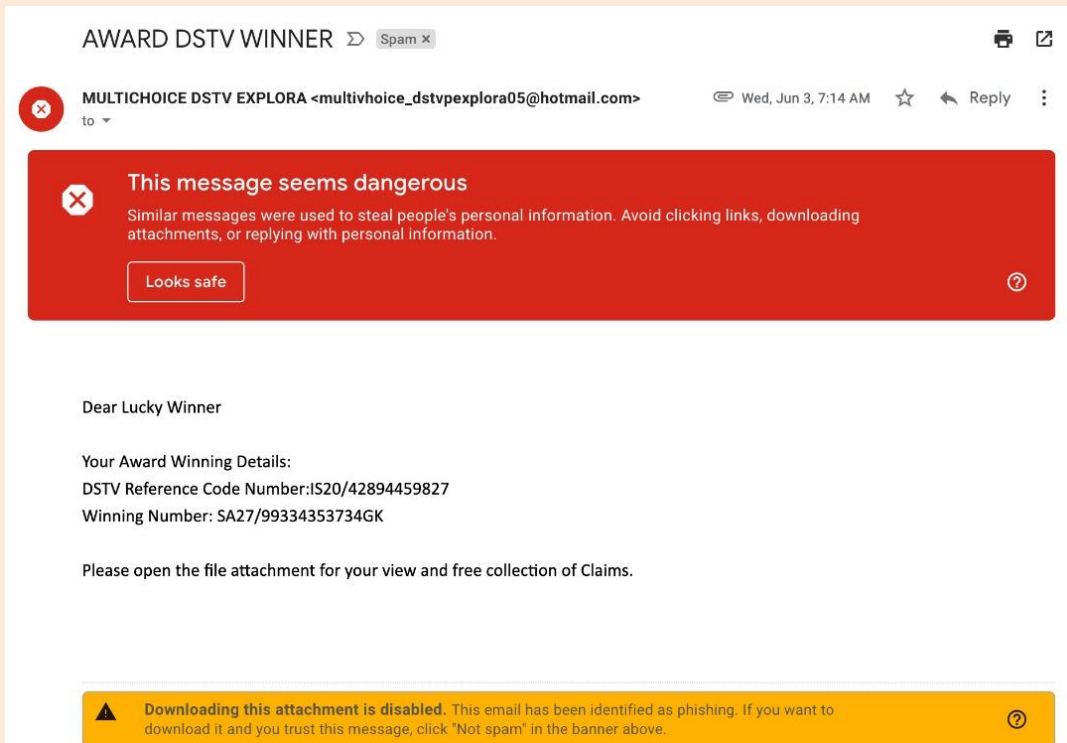

I am interested to discuss this venture in detail as explained in my previous contact where I expressed my interest in investment cooperation and possibility with you.

As a Vice President of a prestigious government owned company; China Railway Construction Corporation (CRCC). I am looking for a possible cooperation with you in your country and the possibility of setting up investments. Your advise will be very helpful.

Regards

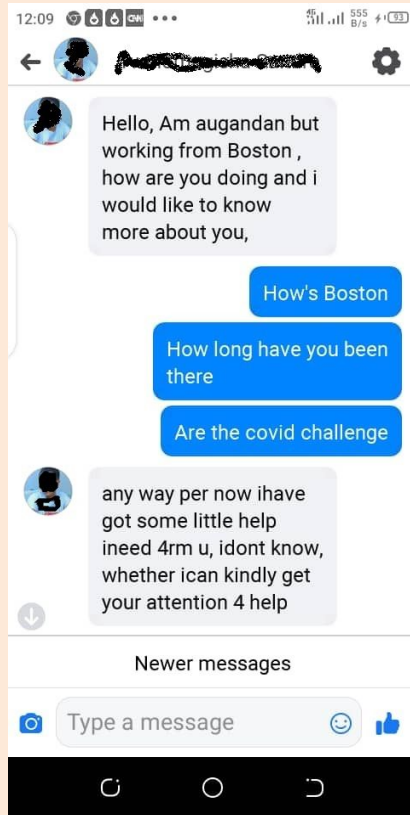

Liu Ruchen
Vice President - CRCC Limited.
